Really Serious

The last possible cuebid below game in our suit is potentially artificial
a 'Last Train to Clarksville' cuebid
imprecisely showing continuing slam interest
with insufficient information to commit to the slam or to RKCB

A Last Train bid is hard to define
but you will probably know one when you see it
the last available bid before game
can become an all-purpose slam try
generally encouraging partner to continue,
but not carrying a specific meaning in relation to the suit bid
