

# EXclusion KEYCard Ask

VoidWood

If the Asker has a Void, no form of Blackwood will give useful information

When Responder shows an Ace

there is no way to know if it is in your void

Exclusion KeyCard allows the Asker to exclude any side suit

When Responder shows an Ace

Asker knows it is NOT in your void

note:

Exclusion KeyCard is in lieu of cuebidding above Game

these two systems are mutually exclusive

*Asker Asks:*

**Any Bid**<sup>above</sup> **Kick Back** = **EXclusion KeyCard** *4 KeyCards*  
*3 Aces + K Trump*

*Responder Answers: The responses are similar to 30 14*
